

Let There Be Peace on Earth

Let there be peace on earth
And let it begin with me.
Let there be peace on earth
The peace that was meant to be.
With **Love** at our center,
Family all are we,
Let us walk with each other
In perfect harmony.

Let peace begin with me
Let this be the moment now
With every step I take
Let this be my **joyous** vow
To take each moment,
And live each moment,
In peace eternally,
Let there be peace on earth
And let it begin with me.

There Is More Love Somewhere

There is more **Peace** somewhere
There is more **Peace** somewhere
I'm gonna keep on 'til I find it
There is more **Peace** somewhere
There is more **Peace** somewhere

There is more **Love** somewhere
There is more **Love** somewhere
I'm gonna keep on 'til I find it
There is more **Love** somewhere

There is more **Hope** somewhere
There is more **Hope** somewhere
I'm gonna keep on 'til I find it
There is more **Hope** somewhere

There is more **Joy** somewhere
There is more **Joy** somewhere
I'm gonna keep on 'til I find it
I'm gonna keep on 'til I find it
I'm gonna keep on 'til I find it
There is more **Joy** somewhere

I'm just like you

I've never been known by my name
But by what the world thinks I am
Unwelcomed, rejected and blamed
But I'm human all the same.

*I just want to belong, to be loved,
To be valued for who I am
Even though I am not from here, from here-*

CHORUS:

This is my home.
I'm trying to get through.
Don't treat me this way
'Cause I am just like you
We all want to have a better home
We all want to live a better life
Safety for our families and more
I'm just like you.
I'm just like you.

Like a pris'ner in a cage,
For the children I'm outraged
Can we please just turn the page
Cause we're human all the same.

*We just want to belong, to be loved,
To be valued for who we are.
We all have something to share, to share.*

CHORUS

**Belong, be loved, Believe
You belong, be loved, believe...**

CHORUS

Everyone Can Love Someone

Yesterday is gone
A brighter day is here
The long night is over
Hope is restored

PRE-CHORUS:

*Cause I've been loved
And love changed my story.
Sad stories can be rewritten
Where fear ends and hope begins.*

CHORUS:

*Everyone can love someone
And everyone needs love
Everyone can love someone
We need each other
Everyone can love someone
And everyone needs love
It doesn't matter where you're from
We all need love.*

When people change
The world is changed
We can make a difference
When we love and give

PRE-CHORUS

CHORUS

Love is pure
Love is kind
Love protects
Love is blind

PRE-CHORUS

CHORUS x 2
